Akagi-
sensei,
Kaga-
sensei...

SUM-
MER'S
HERE.

It's
SUM-
MER
|

Even
if the
children
are on
vacation,

Please
don't
slack
off!

We
still
have
work
to do!

Ahhh—
We'll do
it, we'll
do it.

Please
help me
out!

That's
right...

Oh...
Huh?

It's just,
it's important
to get in touch
with your inner
child every now
and then—

Oh, that's
the album
from when
we were in
kindergarten!

第十七期生
卒園記念

Looking at
old photos and
reliving some
memories is
good for
relaxation.

!!

しょう先生

You only
managed to
hide a
few of them.

Who...
I thought I
had already
put those
away else-
where...

Admiral,
who
are you
talking
to?

Now then,
let's witness
the Fleet
Kindergarten
of many
years past!

Let's get
along and
happily pass
our days
together!

Okay

Starting
today,
we'll all be
friends
in this kinder-
garten!

ka...
ga?

I'm
Akagi!

Hi!

You
are...

Well,
it's easy
to tell
like this!

Souryuu,
you never
wear your
nametas.

The one
without a
nametas
will be
me!

I'm
always
with
Hiryuu.

So
as long
as Hiryuu
wears her
name-
tas,

D-Don't
say weird
things like
that...

The
two of
us will be
together
forever!

Well...
if that's
how it
is...

*They're singing Yuzuka Koyaka

Just
how old is
Houshou-
san...?

**Fleet Carrier, Second Shoukaku
class ship, Zulkaku-chan**

When she was in kindergarten, she wouldn't go out until her mom helped tie up her pigtails.
Though she always argues with Kaga-chan, she honestly really likes her!

**Fleet Carrier, First Shoukaku
class ship, Shoukaku-chan**

Gentle and quiet. Shoukaku-chan always spuck with Zulkaku-chan in kindergarten.

**Light Carrier, First Houshou
class ship, Houshou-sensei**

Teacher at the kindergarten.
She was a teaching long before Akagi-sensei started working there.
She was also the secretary of the admiral at that time.

**Armored Carrier, First Taihou
class ship, Taihou-chan**

The metal plating on her breastplate seems to be extremely heavy.
She really loves reading~

**Fleet Carrier, First Akagi
class ship, Akagi-chan**

Akagi-ganpai! was a healthy child
who ate a lot and slept a lot.
She's always smiling,
so everyone really likes her.

**Fleet Carrier, First Kaga
class ship, Kaga-chan**

Although she never shows much
emotion, she was actually a
hard-working and gentle child.
Very self-conscious
around Akagi-chan.

**Fleet Carrier, First Hiryou
class ship, Hiryou-chan**

Cat-loving Hiryou-chan still
feeds Tamon-Maru every day,
even as a teacher!
She'll never forget it!

**Fleet Carrier, First Souryuu
class ship, Souryuu-chan**

Natural ditz Souryuu-chan~
Her house is very close to Hiryou-
chan's, so they get along really well.
But remember to wear your namesag!

Afterword

This is a part of of Koruri-ya's fourth (2)
summer compilation and third volume.
This time they were assembled into one book.

Thinking back, this all started just over a year ago.
I wanted to do anything to get out of grinding rare drops in
PSO2*, so I signed up for a new browser game.
And that was the last they saw of Koruri....
I'm glad I could release this compilation.

To Ako-san, who helped plan stories and came up with
ridiculous ideas every time, to my assistants, and to all of
my readers, I am grateful from the bottom of my heart.

I wish for a healthy body.
Until we meet again.

*The phrase used is P.A.S., which is PSO2
slang for monotonously grinding like a hamster
